

ALL FAMILIES GIVE. ALL STUDENTS BENEFIT.

All families are asked to donate to the **Friends of Third Annual Giving Campaign**. Kindergarten and TK families are also asked to contribute to the **Kindergarten Support Fund**.

100% PARTICIPATION IS OUR GOAL

Your family's Annual Giving donation will allow Friends of Third to remain agile and ready to meet the changing needs of our community throughout the year.

This year, our Annual Giving fundraising goal is \$200,000. We have reduced the suggested donation to \$1000 per child. This might not work with your budget, and that is okay. Please consider making a donation that is meaningful for your family. If your family is in a position to provide more generous support for our community, we strongly encourage you to do so. We are all in this together.
