

# WELCOME NEW AND RETURNING THIRD STREET FAMILIES!

Friends of Third (FOT) is our school's booster club, established by parents as a 501(c)3 non-profit. Our mission is to provide robust curricular enrichment and critical classroom support programs for all students at Third Street Elementary. We strive to fill in the gaps and ensure that every student thrives at all grade levels.

## HOW DO WE DO IT? ALL FAMILIES GIVE. ALL STUDENTS BENEFIT.

Regardless of a family's ability to donate, all students participate in FOT-funded programming. We host fundraisers throughout the year, but our Annual Giving Drive is the most critical. This drive is vital to our mission, and our goal is 100% school-wide participation. Please consider making a donation that is meaningful for your family.

## VOLUNTEERS AND BOARD MEMBERS NEEDED!

We are a parent-led, all-volunteer organization, and we need your help. If you're interested in volunteering, please sign up and let us know your availability. The FOT Board, consisting of 6 to 21 Directors, meets once a month. If you are passionate about making a difference in our school community, consider joining the Friends of Third Board. Below is a brief explanation of the timeline for election to the FOT board.

### FALL

The Board publishes a call for volunteers. (This letter!) Interested parents contact FOT via [this form](#) or email us at [info@friendsofthird.org](mailto:info@friendsofthird.org) regarding election to the board, vacancies, and leadership opportunities.

### WINTER

The Board confirms a slate of Nominees. With the exception of the PTA President, all nominees must have volunteered their time towards at least one fundraising initiative, or standing committee in a leadership capacity prior to the March/April FOT meeting. Eligible nominees attend one board meeting as guests.

### SPRING

Incoming and returning Directors are elected at the last FOT meeting of the school year and work over the summer with matriculating parent volunteers and outgoing FOT Directors as necessary to prepare for the new school year.
